Figma

JavaScript  
Canva

## Projects

### 1.ShopEasy E-Commerce UI

- Developed a responsive e-commerce website using HTML and CSS, replicating Amazon's user interface.
- Designed intuitive layouts for home pages, product listings, and individual product details.
- Implemented features such as a navigation bar, search functionality, and a footer with social media links.

### 2. BeatStream

- Developed a music streaming web application using HTML, CSS, and JavaScript, inspired by Spotify's interface and functionality.
- Designed a responsive UI featuring sidebar navigation, playlists, album art, and media controls.
- Implemented JavaScript-based audio playback, including play/pause, seek bar, and dynamic song switching.
- Utilized Flexbox and Grid to create a consistent, mobile-friendly layout across devices.

## Certificates

- Web Development(Certified from EdLernity)
- Generative AI for Data Science (Certified from Coursera)
- Cyber Security and Applied Ethical Hacking (Certified from Infosys Springboard)
- Python programming (Certified from EdLernity)
- Participated in Samadhan Hackathon 1.0-An Innovation Hackathon 2024 at SISTEC Bhopal
